

Inflammation Research Center  
A VIB-UGENT DEPARTMENT

## ER STRESS & INFLAMMATION MEETING 2015 – NOVEMBER 27, 2015

### PROGRAM

8:30 – 9:00	<b>Registration</b>	
9:00 – 9:15	<b>Welcome</b>	
9:15 – 10:00	<b>Prof. Dr. Stephen Girardin</b> <i>Laboratory Medicine &amp; Pathobiology, University of Toronto, Canada</i>	"Critical role of the integrated stress response in the innate immunity to bacterial pathogens"
10:00 – 10:45	<b>Prof. Dr. Eelco Van Anken</b> <i>Università Vita-Salute San Raffaele, Milan, Italy</i>	"Tampering with acute to chronic endoplasmic reticulum stress responses unmasks opposing roles of the stress sensor IRE1alpha"
10:45 – 11:15	<b>Coffee break</b>	
11:15 – 12:00	<b>Dr. Simon Tavernier</b> <i>Inflammation Research Center, VIB - Ghent University, Ghent, Belgium</i>	"Losing XBP1 in DCs: Good RIDDance?"
12:00 – 12:45	<b>Prof. Dr. Julie Hollien</b> <i>The University of Utah, Salt Lake City, USA</i>	"Regulation of mRNA decay and metabolism during ER stress"
12:45 – 13:45	<b>Sandwich lunch</b>	
13:45 – 14:30	<b>Prof. Dr. Michael Drennan</b> <i>Inflammation Research Center, VIB - Ghent University, Ghent, Belgium</i>	"Stabilization of cytokine mRNA in NKT cells by the ER stress sensor IRE1"
14:30 – 15:15	<b>Prof. Dr. Fabio Martinon</b> <i>Department of Biochemistry, Université de Lausanne, Switzerland</i>	"Proteostasis regulation by the anti-HIV drug Nelfinavir"
15:15 – 15:45	<b>Coffee break</b>	
15:45 – 16:30	<b>Dr. Kitty Mc Caffrey</b> <i>University of Utrecht, The Netherlands</i>	"ER determinants in type I interferon signaling"
16:30 – 18:00	<b>Poster session + meet the speakers &amp; drinks with small bites</b>	
18:00 – 19:00	<b>Dinner: Food stall</b>
