

Events organized by the IRC

- [IRC Events](#)
- [IRC Symposia](#)

Public events : seminars, meetings, ...

- The IRC organizes a seminar cycle with outstanding international speakers. Most seminars take place on Friday, at 11.30 am :
go to **Calendar**
- IRC Symposia : twice a year the IRC organizes a full day of lectures given by international speakers as well as IRC members:
go to [IRC Symposia](#)
- Every year several of our Ph.D. students present their thesis in a public defence session :
go to [PhD Defences](#)
- The IRC is hosting and organizing meetings of national and international scientific organizations
- Occasionally, the IRC laboratories can be visited by students, or by the public at large ([Biotechdag](#))
